

## INDICT HOCH FOR MURDER.

Man Who Married at Least Twenty Women in Clutches of Law.

Chicago, Feb. 3.—Indictment for murder will be asked by Coroner Hoffman against Johann Hoch, the alleged husband of many wives.

"I am now in a position to state that the embalming fluid injected into the body of Mrs. Marie Welker Hoch, did not contain arsenic," said the coroner today. "Arsenic was not a constituent of any of the drugs administered by the physician who attended the woman before her death. The fact that more than 2½ ounces of poison were found in the organs means the man murdered his wife. The coroner's jury will doubtless hold Hoch to the

grand jury, but if it fails to do so, I will hold him under my official prerogative."

The inquest will not be held until Hoch reaches here some time next week. Two of the wives of Hoch have quarreled over money alleged to have been found on Hoch when arrested. The money is claimed by Mrs. Fisher Hoch, because she was the last one he deserted. Mrs. Hendricks Schmitt Hoch also lays claim to \$500 on the \$600 now said to be in possession of the New York police, as she gave up that amount when Hoch bid her adieu. Both women threaten to attach the money.

## BANK CASHIER INDICTED.

Former Tennessean Held Under \$10,000 Bail by Federal Court.

New York, Feb. 3.—James S. O'Neale, formerly cashier of the Equitable National bank, of this city, which was closed a year ago by the comptroller of the currency after an existence of twenty months, has been arraigned before United States Commissioner Rowe, in Jersey City, and held in \$10,000 bail on an indictment found by the federal grand jury in New York, was furnished.

On evidence presented by the comptroller for currency an indictment was found against O'Neale Jan. 17. He was charged with falsifying his reports to the treasury department and the books of the bank.

Friends of O'Neale, who has for years been cashier of the Chattanooga National bank, of Chattanooga, Tenn., say he was imposed upon by others in the transactions and assert that the charges against him are only technical.

## A Living Monument.

If we were to assemble all those who have been cured of heart disease by Dr. Miles' Heart Cure, and who would to-day be in their graves had not Dr. Miles' been successful in perfecting this wonderful heart specific, they would populate a large city.

What a remarkable record—a breathing, thinking, moving monument, composed of human lives,—that for which every other earthly possession is sacrificed.

The Miles Medical Co. receive thousands of letters from these people like the following:

"I feel indebted to the Dr. Miles' Heart Cure for my life. I desire to call the attention of others suffering as I did to this remarkable remedy for the heart. For a long time I had suffered from shortness of breath, after any little exertion, palpitation of the heart; and at times terrible pain in the region of the heart, so serious that I feared that I would some time drop dead upon the street. One day I read one of your circulars, and immediately went to my druggist and purchased two bottles of the Heart Cure, and took it according to directions, with the result that I am entirely cured. Since then I never miss an opportunity to recommend this remedy to my friends who have heart trouble; in fact I am a traveling advertisement for I am widely known in this locality."

J. H. BOWMAN, Manager of Lebanon Democrat, Nashville, Tenn.

Dr. Miles' Heart Cure is sold by your druggist, who will guarantee that the first bottle will benefit. If it fails he will refund your money.
